

PEOPLE'S COMMITTEE OF BINH DINH PROVINCE

LIST OF PRIORITY PROJECTS CALLING FOR INVESTMENT IN BINH DINH PROVINCE (2021 - 2025)

LIST OF PRIORITY PROJECTS CALLING FOR INVESTMENT IN BINH DINH PROVINCE (2021 - 2025)

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
I. INDUSTRY FIELD					
1	Dedicated electric engine production plant	Industrial parks, industrial clusters	1	Rotating electric machine. Production capacity is 5.000 units/year	40
2	Electrical wires and cables, electrical equipment and accessories production plant	Industrial parks, industrial clusters	3	Electrical wires and cables. Production capacity is 200.000 tons/year	17
3	Marine engine production plant	Industrial parks, industrial clusters	2	Produces various engines. Production capacity is 5.000 - 6.000 pieces/year	10
4	Auto parts and accessories production plant	Industrial parks, industrial clusters	3	Manufacturing all kinds of auto accessories and spare parts. Capacity of 5 - 10 tons of products/year	5
5	Steel structure, wire mesh processing and production plant	Industrial parks, industrial clusters	2	Processing and manufacturing of products such as steel beams, pre-engineering steel frames, B40 wire mesh, scaffolding, etc.	30
6	Leather shoes and bags production plant	Industrial parks, industrial clusters	2	Processing and manufacturing of products such as athletic shoes, bags, rucksacks, etc.	3
7	Factory for manufacturing raw materials and accessories for Textile - Garment industry	Industrial parks, industrial clusters	Depends on the scale	Producing raw materials and accessories for Textile - Garment industry such as: fiber, yarn, fabric, sewing thread, buttons, mex, zipper, elastic band, etc.	Depends on the scale
8	Auto manufacturing and assembling plant	Nhon Hoi economic zone, industrial parks	20	Investing in the auto manufacturing and assembling plant with up to 9 seats according to current standards; providing maintenance and repair services for auto and other motor vehicles, etc. To meet the needs of domestic and foreign markets	Depends on the scale

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
9	Steel production plant	Nhon Hoi economic zone, suitable location	491	Investing in the steel production plant. Capacity of 4.8 million tons of steel/year	Depends on the scale
10	Factory for manufacturing raw materials and chemicals for the wood processing industry	Industrial parks, industrial clusters	Depends on the scale	Producing raw materials and chemicals for the wood processing industry such as: wood pegs, handles, hinges, slides, nails, screws, screws, pats, bolts, rivets, long temples, etc; Paints, colored oils of all kinds; wood glue	Depends on the scale
11	Factory for producing handicrafts, household furniture	Industrial parks, industrial clusters	2	Manufacture of interior products such as wooden walls, wood carvings, wooden furnitures, wood cabinets, etc.	2
12	High-tech glitter and thin film production plant	Nhon Hoi economic zone	10	High-tech glitter and thin film production according to international standards	100

II. INFRASTRUCTURE FIELD

1	Bong Son industrial zone	Dien Khanh quarter, Van Cang, Lai Duc, Lai Khanh Nam, Hoai Nhon town	250	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
2	Giao Hoi 2 industrial cluster	Hoai Tan ward, Hoai Nhon town	65	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
3	Bong Son industrial cluster (second phase)	Thiet Dinh Nam block, Bong Son ward, Hoai Nhon town	30	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
4	Hoai Huong industrial cluster	Thien Duc village, Hoai Huong ward, Hoai Nhon town	11	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
5	Tuong Son industrial cluster	Tuong Son village, Hoai Son commune, Hoai Nhon town	15	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
6	Tan Truong An industrial cluster	Tan An and Tuong An villages, My Quang commune, Phu My district	50	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
7	An Luong industrial cluster	Thien Chanh village, My Chanh commune, Phu My district	30	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
8	Diem Tieu industrial cluster	Phu My town, Phu My district	38	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
9	My Thanh seafood industrial cluster	Vinh Loi village, My Thanh commune, Phu My district	70	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	20
10	Thang Cong industrial cluster	Thang Cong village, Nhon Phuc commune, An Nhon town	19	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
11	Tan Duc industrial cluster	Tan Duc village, Nhon My commune, An Nhon town	50	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
12	Binh An industrial cluster	Phuoc Thanh commune, Tuy Phuoc district	38	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
13	Van Canh town industrial cluster (second phase)	Van Canh town, Van Canh district	37	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
14	Hoc Bom industrial cluster	Village I, Binh Nghi commune, Tay Son district	37	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
15	Tay Xuan industrial cluster	Phu An village, Tay Xuan commune, Tay Son district	30	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
16	Binh Tan industrial cluster	My Thach village, Binh Tan commune, Tay Son district	30	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
17	Binh Nghi industrial cluster expanded	Thu Thien Ha village, Binh Nghi commune, Tay Son district	74	Investing in the construction and trading of the general infrastructure of industrial cluster according to the approved 1/500 scale detailed plan	Depends on the scale
III. MEDICAL FIELD					
1	Nhon Hoi General hospital	Nhon Hoi economic zone	10	Investing in the construction of the General hospital	15

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
2	Obstetrics and Gynecology Hospital	Nhon Hoi economic zone, or Long Van urban area, Quy Nhon City	3	Investing in the new construction of the Obstetrics and Gynecology Hospital	15
3	Factory for manufacturing drugs, pharmaceutical chemicals, pharmaceuticals	Industrial parks, industrial clusters	Depends on the scale	Producing products such as pills, liquid drugs, infusion solutions, antibiotics, high-grade excipients, etc.	Depends on the scale
IV. INFORMATION TECHNOLOGY FIELD					
1	Offshore Software R&D and Software production Center	Quy Nhon City	Depends on the scale	Information technology field. Offshore Software R&D and Software production combined with human resource training	Depends on the scale
V. FIELDS OF REAL ESTATE, SERVICES, TRADE AND TOURISM					
1	Dong Mit lake Cultural tourism area	An Lao town, An Lao district	3	Construction of tourism and entertainment facilities and ecotourism areas around Dong Mit lake	3
2	Residential, service and commercial area	Along the coast of Hoai Nhon town (from Tam Quan Bac ward to Hoai Huong), Hoai Nhon town	300	Investing in the construction of residential, commercial and service areas	Depends on the scale
3	Residential, service and commercial area	The West of Bau Ho, Hoai Huong ward, Hoai Nhon town	8	Investing in the construction of residential, commercial and service areas	Depends on the scale
4	Residential, service and commercial area	Along the North bank of Lai Giang river, Hoai Xuan ward, Hoai Nhon town	150	Investing in the construction of residential, commercial and service areas	Depends on the scale
5	Lai Khanh residential area	Hoai Duc ward, Hoai Nhon town	150	Investing in the construction of residential, commercial and service areas	Depends on the scale
6	La Vuong eco-tourism area	Hoai Son commune, Hoai Nhon town	250 - 300	Investing in the construction of ecotourism and resort areas.	Depends on the scale
7	Golf course and marine eco-tourism area combined with Lo Dieu resort	Hoai My commune, Hoai Nhon town	250 - 300	Investing in the construction of eco-tourism and resort areas.	Depends on the scale
8	Sports Center	The North of Binh Dinh province	13	Investing in commercial, service, sport areas	3

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
9	Residential area on the South side of the Lai Giang river	Hoai Duc ward, Hoai Nhon town	27	Investing in the construction of residential, commercial and service areas	Depends on the scale
10	Bai Con luxury eco-tourism resort area	Hoai Hai commune, Hoai Nhon town	100	Investing in the construction of eco-tourism resort areas	Depends on the scale
11	An Luong bus station	Thuong An village, My Chanh commune, Phu My district	1	Investing in the construction and completion of infrastructure and operate class 3 bus station	4
12	Phu My bus station	An Lac Dong 2 quarter, Phu My town, Phu My district	2	Investing in the construction and completion of infrastructure and operate class 3 bus station according to the approved detailed planning	5
13	Duong Lieu Nam urban area	Duong Lieu Nam quarter, Binh Duong town, Phu My district	20	Investing in the construction of residential, commercial and service areas	70
14	Hai Dang Hon Nuoc tourism area	Tan Phung village, My Tho commune, Phu My district	10	Investing in the construction of marine ecotourism, resort and sports areas	20
15	Mui Vi Rong tourism area	Tan Phung village, My Tho commune, Phu My district	10	Investing in the construction of marine ecotourism, resort and sports areas	20
16	Resort eco-tourism area combines cultivation and nature conservation	Vinh Loi 2 village, Vinh Loi 3 village, My Thanh commune, Phu My district	10	Investing in the construction of marine ecotourism, resort and sports areas	20
17	Cat Trinh rest stop	Phu Kim village, Cat Trinh commune, Phu Cat district	2	Investing in the construction of rest stop, kiosk, hotel, petrol station, souvenir shop and other service, etc.	Depends on the scale
18	Section 2 - Coastal tourism urban center area	Southern area of De Gi lagoon, Cat Khanh commune, Phu Cat district	1772	To form urban areas, commercial services, resorts, fitness and sports centers combined with thematic parks	Depends on the scale
19	Commercial and services complex combined with gentrification residential area	Tuy Phuoc town, Tuy Phuoc district	10	Residents, commercial/service complex, technical infrastructure /infrastructure site will be created, and the city will be developed and upgraded.	8

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
20	Phu Phong hotel	Block IV, Phu Phong town, Tay Son district	1	Including categories:hotel, convention service center	Depends on the scale
21	Commercial and service area	Residential area South of national highway 19, Phu Phong town, Tay Son district	1	Investing in the construction of service and commercial centers to meet the shopping and consumption needs of Tay Son district	Depends on the scale
22	Vinh An town waterfall tourist destination	Vinh An commune, Tay Son district	30	Investing in the construction and business of ecotourism and tourism services	Depends on the scale
23	Van Phong spillways tourist destination	Tay Giang and Binh Tuong communes, Tay Son district	70	Ecotourism, entertainment facilitiesand resort area	Depends on the scale
24	Tay Son bus station	The Southern area, the Southern residential planning area of national highway 19, Phu Phong town, Tay Son district	2	Parking lot, bus station and commercial services related to bus stations	Depends on the scale
25	Sports complex area	The area South of national highway 19, the way to Ham Ho tourism area, Tay Phu commune, Tay Son district	10	Investing in the construction of a sports complex	Depends on the scale
26	Vinh Son eco-tourism resort	Vinh Son commune, Vinh Thanh district	28	Investing in the construction of eco-tourism resort	Depends on the scale
27	Parking lot in Tuy Phuoc town	Tuy Phuoc town, Tuy Phuoc district	2	Construction of parking lot, car garage	2
28	Shopping center	Van Canh town, Van Canh district	1	Investing in a shopping center	2
29	Dong Ban Thanh 4 residential area	Dap da ward, An Nhon town	10	Construction of residential area, commerce, sync service and modern about of infrastructure, technology and traffic	Depends on the scale

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
30	Bus station combined with general service business	Nhon An commune, An Nhon town	7	Construction of class 2 passenger bus station, wholesale market for agricultural products and general goods; general business service area, refueling station and rental kiosks	Depends on the scale
31	Residential - commercial - service area in Northeast Bang Chau	Dap da ward, An Nhon town	10	Investing in the residential area, commercial - service area, trees, public works, urban - social technical infrastructure, etc. With a project population of about 1,500 people	Depends on the scale
32	Luxury hotel area K200	K200 area, An Duong Vuong street, Quy Nhon City	1	Investing in the construction of a 5-star luxury hotel for tourism includes: hotel block, office for lease, trade and service center	5
33	Part of tourist destination No. 8C	Quy Nhon - Song Cau route, Ghenh Rang ward, Quy Nhon City	28	Concretizing the general planning of Quy Nhon city construction, adjusted planning of 1/2.000 tourist - service destinations along Quy Nhon - Song Cau route, Quy Nhon city	Depends on the scale
34	Tourist destination No. 2	Quy Nhon - Song Cau route, Ghenh Rang ward, Quy Nhon City	2	Construction of luxury tourism resort area	Depends on the scale
35	Tourist destination No. 9H	Quy Nhon - Song Cau route, Ghenh Rang ward, Quy Nhon City	38	Construction of luxury tourism resort area	Depends on the scale
36	Trade center	Island 1A North of Ha Thanh river, Dong Da ward, Quy Nhon City.	1	Construction of trade and service center	Depends on the scale
37	Commercial and service area (TMDV1)	East of Nguyen Trong Tri street, Nhon Binh ward, Quy Nhon City	1	Construction of trade and service center.	Depends on the scale
38	Commercial and service area (TMDV2)	East of Nguyen Trong Tri street, Nhon Binh ward, Quy Nhon City	1	Construction of trade and service center.	Depends on the scale
39	Tourism project at point 2 (2-1)	Nhon Ly - Cat Tien beach tourist area, Nhon Hoi economic zone	28	High-rise hotels, restaurants, entertainment areas.	30
40	Tourism project at point 2 (2-2)	Nhon Ly - Cat Tien beach tourist area, Nhon Hoi economic zone	40	High-rise hotels, restaurants, entertainment areas.	40

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
41	The entertainment area	Nhon Hoi economic zone	8	Combination of modern entertainment works, pub - bar complex, movie theater, etc.	9
42	The cultural complex	Nhon Hoi economic zone	5	Complex of cultural house, youth club, museum, library, theater, circus.	5
43	Commercial office complex	Nhon Hoi economic zone	20	Complex of office, housing, commercial	10
44	The hotel, conference center	Nhon Hoi economic zone	7	Luxury hotel serving for tourists and conferences and seminars	12
45	Luxury hotel area at Point 1	Nhon Ly - Cat Tien beach tourist area, Nhon Hoi economic zone	33	High-rise hotel, commercial and service area	90
46	Nhon Hoi urban area - Zone No.1	Zone No.1, Nhon Hoi eco-tourism urban area, Nhon Hoi economic zone	57	The urban area has full facilities for social security	430
47	Nhon Hoi urban area - Zone No.3	Zone No.3, Nhon Hoi eco-tourism urban area, Nhon Hoi economic zone	36	The urban area has full facilities for social security	300
48	Tan Thanh tourist area	Nhon Hoi economic zone	57	Tourist and service area	12
49	Residential land, commercial service area 03	Cat Tien town, Phu Cat district, Nhon Hoi economic zone	4	Gateway urban area of Cat Tien	27
50	Residential land, commercial service area 04	Cat Tientown, Phu Cat district, Nhon Hoi economic zone	5	Gateway urban area of Cat Tien	34
51	Expanding to the West of Hai Giang Merry Land tourist area	Nhon Hoi economic zone	233	Tourist and commercial area	200
52	Forest sightseeing spots combined with a rest area	East of national highway 1D, Ghenh Rang ward, Quy Nhon City	19	Forest sightseeing spots combined with a rest area along national highway 1D	Depends on the scale
53	The land is located in the South of the main road of the economic zone	Extending the distance of km 2+400, Nhon Hoi economic zone	9	Investing in the development of residential land associated with the Cat Tien gateway urban area according to the planning	28

No.	Name of project	Investment location	Acreeage (ha)	Project objective and scale	Minimum investment (million USD)
54	A part of the land area is converted to urban residential land	Nhon Hoi industrial park (Park A), Nhon Hoi economic zone	Depends on the scale	Investment and development of urban areas according to the overall adjustment plan of Nhon Hoi economic zone	Depends on the scale
55	Project is converted to urban residential land	Nhon Hoi industrial park (Park C), Nhon Hoi economic zone	Depends on the scale	Investment and development of urban areas according to the overall adjustment plan of Nhon Hoi economic zone	Depends on the scale
56	Project is converted to urban residential land	Non-tariff zones and industrial zones associated with deep-water ports, Nhon Hoi economic zone	Depends on the scale	Investment and development of urban areas according to the overall adjustment plan of Nhon Hoi economic zone	Depends on the scale

VI. FIELDS OF AGRICULTURE AND FISHERIES

1	High-tech vegetable and agricultural product production zone project	An Toan commune, An Lao district	20	Construction of high-tech vegetable and agricultural product production zone	2
2	Project of high-tech pig breeding in An Tan commune	An Tan commune, An Lao district	5	High-tech application project for pig breeding (pig production, meat pig breeding, pig slaughter, commercialization of high quality livestock products on the market)	2
3	An Hung town high tech pig breeding project	An Hung commune, An Lao district	10	High-tech application project for pig breeding (pig production, meat pig breeding, pig slaughter, commercialization of high quality livestock products on the market)	2
4	High-tech shrimp farm	Phu Cat district	400	Applying progress to production, improving the quality and value of whiteleg shrimp farming, increasing production efficiency and increasing income; Moving towards building high-quality commercial shrimp material areas	96
5	High-tech agricultural zone for shrimp development	My Thanh commune, Phu My district	406	Forming a linkage chain in the supply of seed, feed, production, processing and consumption of commercial shrimp for the whole region	91

VII. STORAGE, PROCESSING

1	Centralized livestock and poultry processing establishment	An Hoa commune, An Lao district	1	Centralized processing, production capacity (head/day and night): 5 cattle, 500 pigs and 300 poultry	Depending on the type of processing - Type III
2	Centralized processing establishment 1	Lot No. 144, map sheet 12, Hoai Tan ward, Hoai Nhon town	1	Investing in the construction of a centralized processing-house	Depends on the scale

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
3	Centralized processing establishment 2	De Duc 1 quarter, Hoai Tan ward, Hoai Nhon town	5	Investing in the construction of a centralized processing-house	Depends on the scale
4	The chain of exploitation, preservation and processing of tuna for export	Hoai Nhon town	3	Increasing the value of production and consumption of tuna products	5
5	Centralized livestock and poultry processing establishment	Hoai An district, Phu My district	2	Centralized processing, production capacity (head/day and night): 10 cattle, 300 pigs and 1.000 poultry	Depending on the type of processing - type II
6	Vegetable oil manufacturing and processing factory	Diem Tieu industrial cluster, Phu My town, Phu My district	2	Processing and manufacturing of products cooking oil such as sesame oil, coconut oil, bean oil, etc. And dry oil.	3
7	Shrimp, livestock and poultry feed processing plants	Specialized village for processing dried seafood, My An commune, Phu My district	2	Processing and manufacturing of products livestock and poultry feed	5
8	Centralized livestock and poultry processing establishment	Ngo May town, Phu Cat district	2	Centralized processing, production capacity (head/day and night): 10 cattle, 200 pigs and 1.000 poultry	Depending on the type of processing - type II
9	Centralized livestock and poultry processing establishment	Nhon An ward, An Nhon town	3	Centralized processing, production capacity (head/day and night): 30 cattle, 400 pigs and 1.000 poultry	Depending on the type of processing - type I
10	Centralized livestock and poultry processing establishment	Van Canh town, Van Canh district	1	Centralized processing, production capacity (head/day and night): 5 cattle, 500 pigs and 300 poultry	Depending on the type of processing - type III
11	Centralized livestock and poultry processing establishment	Tay Xuan commune, Tay Son district	2	Centralized processing, production capacity (head/day and night): 10 cattle, 200 pigs and 1.000 poultry	Depending on the type of processing - type II
12	Centralized livestock and poultry processing establishment	Vinh Thanh town, Vinh Thanh district	1	Centralized processing, production capacity (head/day and night): 30 cattle, 400 pigs and 1.000 poultry	Depending on the type of processing - type I
13	Facility for processing aquatic products	Industrial parks, industrial clusters	Depends on the scale	Increase the value of production and consumption of aquatic products	4

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
14	Binh Dinh livestock processing factory	Industrial parks, industrial clusters	Depends on the scale	Investing in the construction of processing plants for pork products such as raw meat, minced pork, ham and canned meat. The production capacity is 150.000 tons product/year. Respond to the needs of domestic consumption and overseas export.	2
15	Peanut oil manufacturing and processing factory	Go Cay industrial cluster, Bridge 16 industrial cluster, Tay Son district	Depends on the scale	Investing in the construction of the peanut oil manufacturing and processing factory	Depends on the scale
16	Canning tuna factory	Industrial parks, industrial clusters	3	Investing in the construction of a canning factory for tuna and other marine products. The scale is 10.000 - 15.000 tons/year.	5
17	Factory for processing, manufacturing raw materials and accessories for animal feed industry	Industrial parks, industrial clusters	Depends on the scale	Producing raw materials and accessories for animal feed industry such as: fish meal, meat meal; vitamins, minerals, colorants, flavors, etc.	Depends on the scale

VIII. FIELDS OF WASTEWATER COLLECTION AND TREATMENT

1	Tam Quan wastewater treatment plant	Tam Quan ward, Hoai Nhon town	1	Wastewater treatment in Tam Quan town. Production capacity: 1.000 m ³ /day and night	3
2	Bong Son wastewater treatment plant	Bong Son ward, Hoai Nhon town	1	Wastewater treatment in Bong Son ward. Production capacity: 5.500 m ³ /day and night	7
3	Wastewater treatment plant in Binh Duong town	Duong Lieu Tay quarter, Binh Duong town, Phu My district	2	Production capacity: 1.000 m ³ /day and night	23
4	An Nhon wastewater treatment plant	Nhon An commune, An Nhon town	1	Production capacity: 8.000 m ³ /day and night	184
5	Dieu Tri wastewater treatment plant	Dieu Tri town, Tuy Phuoc district	1	Production capacity: 2.100 m ³ /day and night	48
6	Phu Phong wastewater treatment plant	Phu Phong town, Tay Son district	2	Wastewater treatment in Phu Phong town. Production capacity: 7.500 m ³ /day and night	12

IX. TREATED WATER FIELD

1	Ho Nui Mot water supply plant	Nhon Tan commune, An Nhon town	2	Water supply for the industrial park South of the national highway 19 and An Nhon urban area with a capacity of 20.000m ³ /day and night	70
2	Upgrading Phu Phong water supply plant	Phu Phong town, Tay Son district	1	Water supply to people in Phu Phong town and surrounding areas with a capacity of 6.000m ³ /day and night	3

No.	Name of project	Investment location	Acreage (ha)	Project objective and scale	Minimum investment (million USD)
X. ENERGY FIELD					
1	Bong Son ward solar power plant	Thiet Dinh Bac quarter, Bong Son ward, Hoai Nhon town	54	Investing in the construction power plants with guaranteed capacity according to the industry planning	Depends on the scale
2	Hoai Thanh commune solar power plant	Hoai Thanh ward, Hoai Nhon town	50	Investing in the construction power plants with guaranteed capacity according to the industry planning	Depends on the scale
3	Hoai Duc ward solar power plant	Hoai Duc ward, Hoai Nhon town	40	Investing in the construction power plants with guaranteed capacity according to the industry planning	Depends on the scale
4	Offshore wind power development	Coastal districts and towns	Depends on the scale	Construction from 154 - 166 offshore wind turbines with a total capacity of 2.000MW	1.500-2.500
XI. MARKET FIELD					
1	Tam Quan Bac market	Tan Thanh quarter, Tam Quan Bac ward, Hoai Nhon town	1	Investing in the construction, sales, management and exploitation of the market	1
2	Traditional market and Bong Son commercial and service area	Bong Son ward, Hoai Nhon town	1	Investment in the construction and trading in traditional markets, commercial kiosks	1
3	Hoai Son market	Hy Van village, Hoai Son commune, Hoai Nhon town	1	Investing in the construction, sales and management and exploitation of the market	1
4	Tam Quan market	Tam Quan ward, Hoai Nhon town	1	Investing in the construction, sales and management and exploitation of the market	1
5	Binh Duong market	Duong Lieu Nam quarter, Binh Duong town, Phu My district	3	Investing in the new construction according to the approved 1/500 scale detailed plan, management, sales and exploitation of the market	7
6	Phu My market	Tra Quang Bac quarter, Phu My town, Phu My district	1	Investing in the new construction according to the approved 1/500 scale detailed plan, management, sales and exploitation of the market	5
7	Tan Dan market	An Trinh village, My Hiep commune, Phu My district	1	Investing in the new construction, sales and management and exploitation of the market	2
8	An Luong market	Chanh An village, My Chanh commune, Phu My district	1	Investing in the new construction, sales and management and exploitation of the market	4
9	Van Phu market	Van Phu village, My Loc commune, Phu My district	1	Investing in the new construction, sales and management and exploitation of the market	4
